

ECI 2024 Pre-congress satellite

Advanced Flow Cytometry Workshop

Dublin| Ireland | 1. September 2024, 9am-2pm

Workshop price: 100 Euros.

Registration via the [ECI website](https://eci2024.org/)

Programme

09:00 Welcome

09:15 Instrument and sample optimization for flow cytometry and cell sorting

Alfonso Blanco, PhD, Director of Flow Cytometry, UCD – Conway Institute

10:00 Cytometry of tissue-resident memory cells

Andreas Radbruch, PhD, Former Director of the German Rheumatology Research Center Berlin, Germany, Group leader Cell Biology Group

10:45 Cytometry of antigen-specific cells

Marta Ferreira-Gomes, PhD, Postdoctoral fellow, German Rheumatology Research Center Berlin

11:30 Coffee Break

12:00 Cytometry of the microbiome

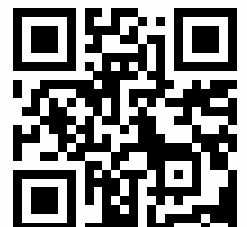

Hyun-Dong Chang, PhD, Group leader Schwiete Laboratory for Microbiota and Inflammation, German Rheumatology Research Center Berlin and Chair of Cytometry, Technische Universität Berlin

12:45 Analysis of high-dimensional cytometry data

Irene del Molino del Barrio, PhD, Associate Director Cellular Biomarkers Team, GSK

13:30 Diskussion
